

## Map To Secure Foundations

Secure Foundations is located at **3560 Five Points Road** on the southeast side of Indianapolis, just outside of I-465 and about a mile south of the Marion County Fairgrounds. The practice entrance is the white door with the half-circle window at the top. The office phone is **317.536.5482**

**From I-465 and I-74:** Take the Southeastern Avenue exit (it's a left-lane exit) which will head northwest. Immediately get in your left lane on the exit ramp. Make a left at the first stoplight as you come off the ramp. If you get to the Speedway gas station on Arlington Avenue, you missed the turn. Make another left to double back on Southeastern Avenue, heading southeast. - You will pass two churches on the left, and take a bridge over the freeway (I-465). Take the first right after you go over the freeway – that is Five Points Road. Waterman's hardware store is at this corner. Head south on Five Points about a half mile. The office is the fifth house on the right (the west side of the street) after you pass Wayland Road.

**From Downtown and the North Side of Indianapolis on I-65:** Take I-65 South to Raymond Street. Take a left on Raymond, heading east. Make a right on Southeastern Avenue, and another right on Five Points.
